Have you been the victim of **discrimination** or
an act of **social injustice**?

Didn't get that apartment or buy that house?

Didn't get that job or job interview?

Refused or received bad service at a restaurant or hotel?

Suspended or expelled from school? Or being bullied?

Other unequal and/or unfair treatment?

**Was any of this treatment due to your race,
sex, religion, disability, marital status,
pregnancy, sexual orientation, culture,
national origin or other protected class?**
